Tobias Walter's Summary

Having an Investment Banking background through working with Société Générale in Paris, France on the Capital Markets side and Morgan Stanley in Mergers & Acquisitions, I made my first entrepreneurial experiences through working with studiVZ - the German facebook - which has, during my time there, grown to be the largest website in Germany. As VP International Markets I managed the company's roll out to eight countries.

With Shoeboxed Inc. - the leading online service for receipt organization - I am responsible for the financial part, leading the financing rounds and overall Business Planning and Strategy - yet looking for Investors and Advisors with a large footprint in the US internet and financial organization sector.

Tobias Walter's Specialties:

Entrepreneurial Marketing, Sales & Business Development, Financing Rounds, Funding, Business Plan Set-Ups
